

# PROFESSIONAL INTERNSHIP

The European Institute of CESCI (Central European Service for Cross-Border Initiatives) is providing professional internship possibility for university students in the field of Geography, Sociology, Economy, Public Administration or Law.

The European Institute of Esztergom performs researches and analyses, organises trainings and conferences and also contributes to the policy-making in the theme of border studies.

For further information visit: [www.institute.cesci-net.eu](http://www.institute.cesci-net.eu)

We expect students who are interested in scientific research on borderland studies, cross-border development and cooperation. At the same time the intern may get an insight to the activity of the first and most successful cross border cooperation along the Hungarian borders, the Ister-Granum EGTC.

Place of work: Esztergom, Saint Adalbert Centre

Working time: 20 h per week (flexible time schedule)

Advantages:

- compulsory internship;
- GIS knowledge;
- English or/and French or/and German knowledge;
- Knowledge of a Central European language;
- Expert knowledge in using Microsoft Word, Microsoft Excel.

In order to apply, please send your detailed professional CV and motivation letter to the following e-mail address: [matyas.jaschitz@cesci-net.eu](mailto:matyas.jaschitz@cesci-net.eu).

(The internship offer corresponds to the requirements of the Hungarian Higher Education Act)
